

## M8 female 90° A-cod. with cable LED

PUR 3x0.25 ye UL/CSA+drag ch. 15m

Female 90° M8, 3-pole 2× LED (PNP)

Art-No. 7005 - M8 Lite - (plastic hexagonal screw) on request

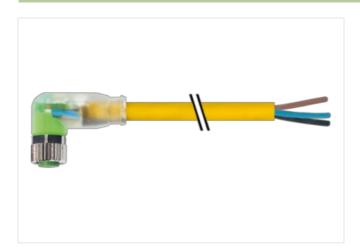

Plastic housings with good resistance against chemicals and oils.

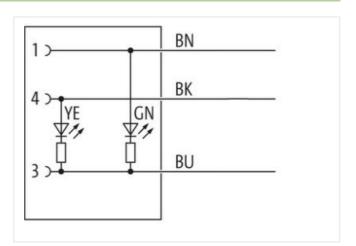

The resistance to aggressive media should be individually tested for your application. Further details on request.

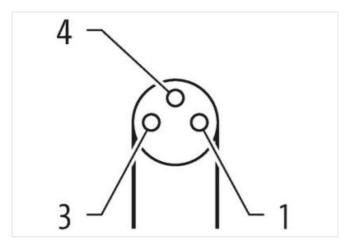

Further cable lengths on request.

| Operating temperature max.                        | 85 °C  |
| Additional condition temperature range            | depending on cable quality   |
| Important installation notes                      |  |
| ·   | Potentification of the control of th |
| Note on strain relief                             | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.  |
| Note on bending radius                            | <b>Attention:</b> Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces.  |
