

M23 female 90° with cable

PUR 12x0.34+3X0.75 gy, drag ch. 5m

Female 90°  
M23, 19-pole  
15-pole used  
with cable sleeves  
Further cable lengths on request.  
Plastic housings with good resistance against chemicals and oils.  
The resistance to aggressive media should be individually tested for your application. Further details on request.

| <b>Important installation notes</b>    |                                                                                                                                                       |
| Note on strain relief                  | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.                                                   |
| Note on bending radius                 | <b>Attention:</b> Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces. |
